

Sven Rosenbeiger

Chief Operations Officer
Röchling Medical

Sven Rosenbeiger graduated from Augsburg University of Applied Sciences with a diploma in Mechanical Engineering.

From 1999, he worked in various positions for the German medical technology company PARI, including Head of Product Development, Technical Director and Director International Production with responsibility for the production sites in Germany and Mexico.

In 2013, he joined Freudenberg Medical Europe as General Manager. From 2017 to 2022, he worked for Freudenberg Medical as EXPAT in California, USA, where he held the position of Vice President GBU Thermoplastics. Before joining Röchling Medical, he was President Strategic Business Unit for Freudenberg Medical, responsible for six production sites in the USA, Costa Rica, China, and Germany.

Sven Rosenbeiger took up his position as Chief Operations Officer and member of the Executive Board of Röchling Medical in April 2024.
